**TRAIL ADJACENT TO I-35W CLOSED FOR SUMMER DUE TO CONSTRUCTION,
MINNESOTA RIVERFRONT PARK, MINNESOTA RIVER GREENWAY
REMAIN CLOSED DUE TO FLOODING**

The trail on the east side of I-35W in the Minnesota Valley National Wildlife Refuge will be closed for the entire summer as work continues on the I-35W bridge. *(See map below.)*

Minnesota Riverfront Remains Closed

In addition, Burnsville's Minnesota Riverfront Park (600 Black Dog Road W.) and the adjacent Minnesota River Greenway trail continue to be closed due to flooding.

The portion of trail closed extends from Minnesota Riverfront Park to the Minnesota Department of Natural Resources boat landing under the Cedar Avenue bridge. Dakota County and the City hope to have the park and trail open by mid-summer.

Both the park and trail were designed and engineered to handle seasonal flooding.
