FREE 'HOW TO WIN THE BUCKTHORN BATTLE' WORKSHOP PLANNED FOR SEPT. 12

Buckthorn is an invasive plant species that wreaks havoc on wooded areas. It aggressively takes over shady areas – displacing native wildflowers and damaging wildlife habitat – and continues to be a problem in Burnsville and statewide.

In September, the City of Burnsville will once again hold a free workshop for residents, “How to Win the Buckthorn Battle.” Participants will learn how to successfully remove buckthorn, how to bring back native plants, and what City programs are available to assist with buckthorn removal

What: How to Win the Buckthorn Battle Workshop
When: Thursday, Sept. 12 | 6:15 – 7:30 p.m.
Where: Burnsville City Hall, 100 Civic Center Parkway
Cost: FREE – registration required

The workshop will be led by Bre Bauerly, land manager and invasive species expert with Minnesota native Landscapes, Inc. Bauerly has worked on many large and successful buckthorn removal and habitat restoration projects around the state.

Limited space is available. Register online at www.burnsvillemn.gov/buckthorn or by calling 952-895-4543. The workshop is open to Burnsville residents only.
