**MINNESOTA RIVERFRONT PARK, MINNESOTA RIVER GREENWAY
NOW OPEN**

Burnsville's Minnesota Riverfront Park (600 Black Dog Road W.) and the adjacent Minnesota River Greenway are now OPEN.

Spring flooding and significant rainfall throughout the year has kept the area closed since mid-March, slowing clean-up efforts and keeping outdoor enthusiasts away for most of the summer.

Please Note:

While the park and trail are now open, construction on the I-35W bridge is still limiting access. Park users can get to the Minnesota Riverfront area via Black Dog Road from southbound I-35W. (The ramp from northbound I-35W is closed for construction.)

In addition, the trail on the east side of I-35W in the Minnesota Valley National Wildlife Refuge (between 121st Street and Black Dog Road) remains closed as work continues on the I-35W bridge.
