**CLIFF ROAD RAMPS TO NORTHBOUND I-35W EXPECTED TO OPEN  
SATURDAY OCT. 5**

The Minnesota Department of Transportation (MnDOT) has announced the ramps from Cliff Road onto northbound I-35W in Burnsville are expected to reopen later in the day on Saturday, Oct. 5, weather and schedule permitting. If delayed, the ramps would reopen on Monday, Oct. 7.

The ramps have been closed since early August to allow work on northbound I-35W from Cliff Road to 106<sup>th</sup> Street.

Before the ramps reopen, crews will be working overnight on northbound I-35W through Saturday, Oct. 5. Crews will use nightly I-35W northbound and southbound lane closures between Cliff Rd. and the bridge to relocate barriers, restripe the road and complete a northbound traffic shift onto the new northbound bridge.

After this traffic shift is complete, the ramps from Cliff Road will connect to northbound I-35W and use the northbound lanes on the new bridge.

MnDOT and the City of Burnsville would like to thank motorists for the patience as work continues on the I-35W Minnesota River Bridge.
