PUBLIC INPUT OPPORTUNITIES FOR BURNSVILLE CENTER VILLAGE AREA TRAFFIC STUDY

The City of Burnsville is conducting a traffic study of a portion of County Road 42 and the area around the Burnsville Center as part of the Burnsville Center Village Redevelopment Vision. The study will help determine transportation improvements that may be needed if the Center Village Vision becomes a reality.

The study will include

- Collecting traffic data, analyzing existing conditions and developing a current traffic model
- Developing future traffic operations models based on intended development
- Recommending public improvements to support development
- Providing concept-level cost estimates for these improvements

Online Feedback

Beginning Wednesday, Dec. 11 through mid-January 2020, the City will be soliciting feedback through an online interactive map feature.

Provide feedback online beginning Dec. 11 at www.burnsvillemn.gov/trafficstudy.

Public Open House

In addition, the City will host two open house events for the public to be able to get more information and ask questions.

Open House No. 1

Saturday, Dec. 14 | 1 – 3 p.m.

Burnsville Center, 1178 Burnsville Center

Kiosk near The Buckle, Entrance #1

Open House No. 2

Monday, Dec. 16 | 11 a.m. – 1 p.m.

Burnsville Center, 1178 Burnsville Center

Kiosk near The Buckle, Entrance #1

The study is anticipated to be complete by the end of February 2020. It is being funded by a Department of Employment and Economic Development (DEED) grant, and is being conducted by Kimley-Horn and Associates.

For more information the Burnsville Center Village Vision visit www.burnsvillemn.gov/redevelopment.
