NEW WINTER ANIMAL TRACKING EVENT FOR KIDS JAN. 11

Kids ages 7 – 12 can learn how to track their favorite animals through the snow during the first-ever Winter Animal Tracking event Saturday, Jan. 11.

Through a series of games and activities presented by Minnesota Naturalist *EcoElsa* (www.ecoelsa.com), kids will hone their tracking skills, find places to look for animal tracks, and learn the process of figuring out what animal they belong to. Kids will also learn skills such as observation and how to use their senses to ensure they don't scare the animal away!

Who: Ages 7 - 12
When: Saturday, Jan. 11 | 10 a.m. - noon
Where: Terrace Oaks East Park, 12650 Parc Drive
Cost: \$19

Registration Deadline: Wednesday, Jan. 8

Kids should dress warm for the weather as the full two-hour program will be spent outside!

The mission of *EcoElsa* is to instill a passion for the outdoors by getting people outdoors to learn and have fun; create resources to help people teach outdoors; and make the outdoors more accessible for all.

Register online at www.burnsvillemn.gov/recreation (Click "Register"), by phone at 952-895-4500 or in person at Burnsville City Hall, 100 Civic Center Parkway.
