

Lake Marion Trail - Sunset Pond to Kelleher Park (Contract 18-413)

CONSTRUCTION BULLETIN

This Project Includes

- Installation of new paved trails from Sunset Pond Park to Kelleher Park
- Installation of a new boardwalk through part of Kelleher Park
- Installation of off-street sidewalks from Kelleher Park to Savage
- Installation of dedicated on-street bike lanes from Kelleher Park to Savage

Construction Schedule

- See the project phasing and schedule map on the back of this bulletin
- This project will be under construction starting late July 2020 through early summer 2021
- Visit burnsvillemn.gov/lakemariontrail for updates during construction

Subscribe

Construction Safety

- Stay away from equipment, materials, and trenches whenever possible
- Preserve survey stakes and utility flags during construction
- Observe posted warning and no parking signs

Road Surface and Dust

- Streets adjacent to the project may become muddy during construction.
- The contractor will sweep adjacent roads periodically to minimize mud tracking

Disturbed Boulevards

- Turf and/or boulevard areas will be disturbed adjacent to the trails and sidewalks being installed
- Disturbed turf areas will be restored
- New seed and/or sod requires frequent watering
- Do not mow seeded or sodded areas until the grass is nearly tall enough to fall over and when mowing use the highest setting till next season

Driveways and Curb

- Curbs and adjacent driveways will be replaced where needed for installation of trail and sidewalk
- Driveway sections will be restored with the same material as existing
- Concrete curb, sidewalk, and driveways take 5-7 days to cure. Please refrain from driving or walking on them during that time
