311.2 POLICY

Best Practice MODIFIED

The Burnsville Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing.

311.3 ACCEPTANCE OF REPORTS

Best Practice

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay. This can be accomplished by accepting the report via telephone or in person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction (Minn. Stat. § 299C.53, Subd.1(a)).

311.4 INITIAL INVESTIGATION

State MODIFIED

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions as applicable or necessary based on the circumstances:

- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be endangered (Minn. Stat. § 299C.53, Subd. 1(b)). Interviews should be conducted separately, if practicable.

- (f) Notify a supervisor immediately if there is evidence that a missing person is either endangered or may qualify for a public alert, or both (see the Public Alerts Policy).
- (g) Broadcast an "Attempt to Locate" (ATL) or similar alert if the person is under 18 years of age or there is evidence that the missing person is endangered. The alert should be
